

Great Science Story Share

How do my actions impact on the world around me?

with Ellie Jackson

ISBN: 1999748506

Duffy's Lucky Escape is based on true events and it is this powerful message which invites us to question the impact of ocean plastic on our environment.

With ideas and activities which reinforce the story this is a book which will inspire children to make changes to the world around them.

Watch Ellie tell the story:

<https://youtu.be/ghDyS8Eu0VY>

1/ Look at the image in the window.

2/ Describe what you can see.

3/ Now, think about questions you have and jot them on a sticky note around the side of the frame.

4/ Select the question(s) you wish to investigate or share and ask an adult to help you do some research, you might some answers on the website below.
